Grandpa Paolo is 90, but he *can / can't* do a lot of things! He <sup>1</sup>*can / can't* use a mobile phone – look at the messages I have from him! His legs are strong and he <sup>2</sup>*can / can't* run, but he <sup>3</sup>*can / can't* run Wings for Life. He can draw <sup>4</sup>*and / but* he can paint – he's a very good artist! He <sup>5</sup>*can / can't* speak Italian, French and German, but he <sup>6</sup>*can / can't* speak English, so he <sup>7</sup>*can / can't* help me with my English homework 😊 He's old, <sup>8</sup>*and / but* he still feels young! 😊
