Test

A

1 Read the text and choose the correct options.

Students in Year 4 (1) **are going to decide / have decided** to go on a trip to Mendoza. They want to climb a very high mountain, so they are training hard. 'It won't be easy!' some of the students say. The problem is that they must be fit and not all the students (2) **are going / are not going** to be ready in two months' time. Besides, they have to (3) **lend / save** money to pay for the tickets and their daily activities.

Last week, they decided to organize a winter carnival to (4) **get / borrow** some money. They prepared different stalls to offer second-hand books, clothes and other things, and organized fun games for parents and students. They (5) **saved / sold** many things and earned a good amount of money. They are going to organize another winter carnival next month.

This week, they are going to do various chores at home to earn more money. Two students are going to (6) **pet sit / babysit** their teachers' kids. Some students are going to do the shopping for their grandparents and others are going to do the cleaning and washing-up. They are planning to collect enough money for everybody. In fact, they aren't going to spend much because they are going to sleep in tents near the mountains.

Students are also organizing a marathon. People must (7) **pay / lend** \$20 to participate. Do you have any other suggestions?
