

The diagram illustrates the mapping of paragraph formatting icons to their names. The icons are grouped into two rows within the 'Párrafo' (Paragraph) group. The first row contains icons for bulleted lists, numbered lists, and text alignment (left, center, right, justified). The second row contains icons for indentation, line spacing, and a grid. The names of these options are listed in yellow boxes below the ribbon, with red lines connecting them to the corresponding icons.

Párrafo

- Viñetas
- Centrar
- Sangrías
- Justificar
- Alinear a la Derecha
- Numeración
- Alinear a la Izquierda

The diagram illustrates the 'Inicio' (Home) ribbon in Microsoft Word, specifically the 'Fuente' (Font) group. Red arrows point from various icons and controls to yellow boxes below, which are labeled with their functions. The ribbon tabs shown are 'Inicio', 'Insertar', 'Diseño', and 'Formato'. The 'Fuente' group includes controls for font face (Calibri), size (11), bold (N), italic (K), underline (S), text color (abc), superscript (x₂), subscript (x²), font color (A), highlight color (ab), and strikethrough (A).
