

Birthday Party

For this role play you must have to follow this situation:

You and your friend(s) want to buy **clothes/shoes/accessories** for a birthday party and then you go to the **supermarket** to but the things you will need for that celebration.

With that in mind you have to use how much, how many, numbers and food in your conversation, also some expressions provided below.

1. Make a line to connect the conversation.

Shop assistant	Costumer
Does it fit ok?	I'm looking for a coat-drees-pair of shoes
Yes, the changing rooms are over there	I'm a medium-small-large
How would you like to pay?	That's nice, may I try it on?
What size are you?	Thank you
May I help you?	Yes, it's perfect, I'll take it
How about this one?	I'd like to pay by credit card - cash

2. Write the correct container, using the words from the list

Jar	Box	Can	Bag	Tin	Packet
Bar	Bottle	Carton	Packet	Jar	Tube
_____ of beer			_____ of chocolates
