LIVEWORKSHEETS

One of my favorite hobbies is fishing. Fishing is a great way to relax on weekends. It is relaxing to sit on the shore of the lake or on a river bank. If you have never experienced it, I think you are really missing something. You can watch the ripples on the water and hear the soothing sounds of the waves. On a nice day, the warmth of the sun and a breeze off the water feels great. Fishing is inexpensive. All you need is a fishing pole and some bait. If you can't afford bait, go outside at night and look for earthworms, or night crawlers. Fishing is exciting. Some fish pull hard on the fishing line. They can put up quite a fight! It's exciting to catch a lot of fish in one spot.
