You've got a friend (Carole King)- By Gigi de Lana

When you're down and troubled and you **know/ need** some love and care

And **nothing, nothing / something, something** is going right

Open your eyes/ Close your eyes and think of me and soon I will be **there / here**

To brighten up even your darkest night

You just call out my **surname/ name**, and you **know/ no** wherever **I am / I'm**

I'll come **running/ run** in **to see/ see** you again

Wind/ Winter, spring, summer, or fall, all you have to do is **cold/ call**

And **I'll be / I'll see** there

You've got a friend

If the **sky/ stars** above you grows dark and full of **clouds/ cloud**

And that old north wind begins to blow

Keep your **head/ hand** together and **call/ tell** my name out loud

Soon you'll hear me knocking **at your floor/ at your door**

You just/ you call out my name, and you know wherever **I am/ I have**

I'll come/ I'm come running , running yeah, yeah to see **you again/ you**

Winter, **spring/ string** , summer, or fall, all you **have to do/ to do** is call

And I'll be there, yes, **I will/ I'll**

Now ain't it **good to know/ bad to know** that you've got a

Friend when people can be so **old/ cold**

They'll hurt you, yes, and desert you

And, take your soul if you let them

Oh, but don't you let them

You just call out my _____, and you _____ wherever _____

I'll come running, running, yeah yeah, to see you again

Winter, spring, **summer/ some**, or fall, all you have to do is call

And I'll be there, yes, I will

You've got a friend

You've got a friend

Ain't it good to know you've got a friend
