**LEARNING TO RUN**

I used to hate running. It made me tired to run around the sports field, and I was always one of the last students to finish. But in 2012, my friend asked me to join the 10K event with him. I said I hated running, but after thinking about it, I decided to try. I agreed to join him. He told me to find a running program online to help me learn how to run. With his help, I got better at running.
