

Rank the ideas

In a recent poll, 65% of companies believe perks help attract employees. Here are some desirable benefits and perks that are offered by a number of major employers. How do you rate them?

I'd like to work for a company that . . .

1. Gives you help with child care.
2. Has good health insurance.
3. Lets you make personal calls.
4. Has a quiet room for naps.
5. Lets you bring your kids to work if needed.
6. Gives free rides to work.
7. Offers free exercise classes.
8. Has a doctor at work.
9. Gives discounts on haircuts at a nice salon.
10. Lets you listen to music while you work.
11. Gives regular training.
12. Lets you bring your pet to the office.

RATE THE PERKS

1 = not at all desirable
5 = extremely desirable
