My ..... said I'm too romantic
She said, "You're ..... in the movies"
I almost started to believe her
Then I .....you and I knew
Maybe it's 'cause I got a little ..... older
Maybe it's all that I've been through

I'd like to ..... it's how you lean on my shoulder

And how I see..... with you

I don't say a word

But still, you ..... my breath and steal the things I know

There you go, saving..... from out of the cold

Fire on fire would normally kill us

But this much desire, ..., we're winners

They say that we're out of control and some say we're sinners

But don't let them ruin our.....rhythms

'Cause when you unfold me and tell me you love me

And look in my eyes

You are perfection, my only .....

It's fire on fire

When we fight, we fight ..... lions

But then we love and ..... the truth

We lose our minds in a ..... of roses

We won't abide by any rules
