

SHARP KEYS

- Directions: 1. Count the number of sharps in the given key left-hand column.
 2. Use the Key Signatures to help you name the correct Key Signature
 3. Repeat the same for the right hand column.
 4. Match the same letters from left hand column to right hand column by dragging a line.
 5. Click on the blue "Finished" button below when done—Don't forget to type in your name and teacher's email

C Major	G Major	D Major	A Major	E Major	B Major	F# Major	C# Major
