

Institución Educativa "Anna Fredu"

Segundo grado de primaria

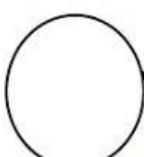

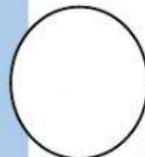

1.- Relaciona a cada región con su nombre

The image shows a map of Peru with its regions color-coded: the coastal area (Costa) is yellow, the mountainous interior (Sierra) is brown, the eastern lowlands (Selva) is green, and the offshore waters (Mar Peruano) is blue. To the left of the map, a cartoon character of a woman with glasses and a white shirt is pointing towards the yellow-colored Costa region. On the far left, there is a vertical list of the region names with corresponding colored boxes:

- MAR PERUANO (Blue box)
- SELVA (Green box)
- SIERRA (Brown box)
- COSTA (Yellow box)

At the bottom of the map, there is a scale bar indicating distances of 100 km and 100 m, and a note in Spanish: "Este mapa es una representación simplificada de la geografía peruana." In the top right corner of the map, there is a watermark that reads "Edited by JAS for Pypus.com".

2.- Selecciona al grupo que representa a los Inkas

3.- Escribe el nombre de los servidores de la comunidad
