My Family

I have a big family, and I love them very much. My **grandmother** and **grandfather** are very kind. They are the parents of my **mother** and **father**. I also have **great-grandparents** who are my grandparents' parents. They are very old and have many interesting stories to tell.

My **mother** and **father** take care of me and my **brother** and **sister**. I also have a **cousin** who is my aunt and uncle's child. We play together often. My **uncle** is my father's brother, and my **aunt** is his wife. My mother's sister is also my aunt, and her husband is my uncle too.

In our family, I am a **son** because I am a boy, and my sister is a **daughter** because she is a girl. I have a **niece**, who is my brother's daughter, and a **nephew**, who is his son.

When I grow up, I want to have my own family. I hope to have a **wife** and maybe children too. My **husband** will be the person I marry if I am a girl.
Family is very important, and I am happy to have so many people who love me.
