ONLINE SHOPPING: The Crazy Things People Buy

In this week's blog, we look at some extraordinary things people can buy online.

1 A PIECE OF THE MOON: $27.50

It's true. You can own a piece of land on the moon. An acre, or about 4,000 square meters, of moon costs $27.50. That's a lot of space for your stuff. In fact, the price of each acre goes down when you buy more land. Imagine what you could do with all that space . . . if you could travel there! But don't worry, you get a certificate that says the land is yours.

2 SOMEONE TO STAND IN LINE FOR YOU: $25 AN HOUR

No one likes to stand in line, right? Now you don't have to! For $25 an hour, someone waits patiently in line to get the stuff you need. Imagine that! Some people pay for someone to stand in line for movie tickets or for a new video game that's on sale. Make a reservation online in just a few clicks.

3 SOME VERY EXPENSIVE SNEAKERS: $20,000 AND UP

Do you ever think your shoes are boring? Well, our sneakers are just what you need. Just go to our online store, look for a pair of sneakers you like, and place a bid. Maybe you'll win! Some of the sneakers are from famous basketball players.

4 NO TIME FOR A REAL PET: $12

Many people like dogs and cats, but they just don't have the time to take care of them. If that sounds like you, here's the answer to your problem: a digital pet rock. It's clean, it's quiet, and it doesn't need food. It comes in a box. We think it's just about the perfect pet. You plug it into your laptop, and it's always with you!
