A POST FROM SCOTLAND

I live on a farm in Scotland with my ¹ and our dog, Tweed. My dad always says that Tweed isn't a pet. He's a working dog. He gets up early in the ² and goes out with my dad before breakfast. Tweed helps with the sheep, goats and pigs. But I think he's my pet too, because he usually plays with me when I finish ³ and he sleeps in my bedroom.

April is my favourite time on the farm. The ⁴ are with their babies in the field near our house. The babies usually stay with their mothers for eight weeks. I love watching them run and jump. They look very funny.

Tweed isn't always at work with the animals. We've got an interesting hobby – we go to agility competitions. At agility competitions dogs ⁵ and jump over special obstacles. Tweed can run very fast, but he doesn't always ⁶ to me. He sometimes runs under an obstacle and that means we never win the first prize. But we love the competitions.
