3 LOOKING GOOD FEELING FINE!

Read the text and find synonyms for the underlined words:

Lady Gaga is known as a fashion icon because she always pushes the boundaries of style in pop music culture. She loves to try new things, wearing clothes made from leather, plastic, and even a famous meat dress at the 2010 MTV Video Music Awards. This meat dress was one of the most unusual and talked-about fashion moments ever, showing how bold she is.

Gaga can easily switch from glamorous fur outfits to casual and comfortable looks. Her gowns often mix high fashion with a unique, creative touch, showing her revolutionary approach to style. She blends the lines between costumes and regular fashion, leaving a big impact on the industry.

Gaga's fashion is more than just clothes; it's a big part of who she is as an artist. Her style reflects and influences the culture around her.

Prepare answers to these questions for a speaking activity during lessons

Can you think of other artists who have pushed the fashion boundaries?

Can you mention an example of a relevant talked-about fashion moment?

Can you think of another bold artist as regards fashion?

Can you mention an artist who always wear regular fashion?

Fashion vocabulary practice:
Describe the following iconic outfits Lady Gaga wore.

LIVEWORKSHEETS

Now, let's listen to Lady Gaga's song called "Fashion!". Before listening to the full song, pay attention to the commentary of the song making by the artist.

This song is called fashion and I wrote this song with Will I Am. This is our first song we ever did together we've been trying to kind of work together for a few years but we're both very picky and I just wasn't ready and I didn't find the right song, wasn't the right thing yet, but this was the right song and the right Groove, the right track it just it felt really good and we worked on it for a while together and we made it perfect and we really spent a lot of time editing it until it was just right and you know, this really is just a really fun song about being able to get dressed up and feeling like you own the world and I think sometimes people always thought that when I was getting dressed up or, you know, putting on my outfits or doing my live shows that it was for attention but I really feel a sense of growth and a sense of confidence in myself when I'm able to transform and that's what this is about and I think other people do too just maybe on a smaller scale than I do. So here it is. This is Fashion! from ArtPop.

Do you consider yourself picky when it comes to fashion or work?
Do you get this empowering feeling when you get dressed up?
Do you consider there are people who get dressed up for attention?

Lyrics:

Fashion
Looking good and feeling fine
(Slay, slay)
Looking good and feeling fine
Fashion!
Step into the room like it's a catwalk. Fashion!
Singing to the tune, just to keep them talking. Fashion!
Walk into the light, display your diamonds and pearls in light. Fashion!
Married to the night
I own the world, we own the world

Look at me now
I feel on top of the world in my fashion
Looking good and feeling fine
(Slay, slay)
Looking good and feeling: Fantastic, chic, freak
Slay (Slay, slay)

You've got company
Make sure you look your best. Fashion!
Make up on your face, A new designer dress
Fashion!
There's a life on Mars
Where the couture's beyond, beyond... Fashion!
Married to the stars!
I own the world, we own the world

Look at me now
I feel on top of the world in my fashion
Looking good and feeling fine
(Slay, slay)
Looking good and feeling fine
Slay...
(Slay, slay)

I take it off, I put it on
I feel alive when I transform
But this love's not material
Now take it in, and turn me on
Zip me up, it can't be wrong
'Cause your new look's ethereal
Ethereal
Ethereal
(Slay, slay)
Ethereal

Je me sens en paradis en
Fashion
Donnez-moi Christian Louboutins
Fashion
Le monde est à moi
C'est la vie en
Fashion
Je suis en haute couture en
Fashion!

Match the words from the lyrics to the following list of words:

catwalk	*shoes*
chic	*coat*
couture	*gown*
take off	*outfit*
put on	*model*
zip up	*show*
slay	*jacket*
