Comparative adjectives and adverbs (So sánh hơn với tính từ và trạng từ)

➤ Phân biệt tính từ ngắn – tính từ dài, trạng từ ngắn – trạng từ dài

Tính từ ngắn (Short adj)

- Là tính từ có **1 âm tiết**: red, long, fast, etc.
- Là tính từ có **2 âm tiết** với tận cùng là **"-y, -er, -le, -ow, -et"**:

Tính từ dài (Long adj)

- Là tính từ có từ **2 âm tiết** **trở lên**: friendly, beautiful, humorous, etc.

Trạng từ ngắn (Short adv)

- Là trạng từ có **1 âm tiết**: hard, fast, late, high, etc.

Trạng từ dài (Long adv)

- Là trạng từ có từ **2 âm tiết** **trở lên**: tiredly, interestingly, etc.

Với tính từ/trạng từ dài:

S + V + **more** + Adj/ Adv + than.

Ex: The exam was **more difficult** than we expected.

So sánh trội hơn (Comparative)

Với tính từ/trạng từ ngắn:

S + V + Adj/Adv + **-er** + than.

Ex: Marry is **prettier** than Sam.

So sánh kém hơn (Negative comparative)

Áp dụng cho cả tính từ/trạng từ ngắn và dài:
S + V + **Less** + Adj + than.

Ex: My book is **less interesting** than hers.
This computer runs **less quickly** than yours.

Note:

- Trong tiếng Anh, thường ít sử dụng công thức so sánh kém hơn này, mà sẽ dùng công thức **so sánh hơn** đi kèm với **các tính từ hoặc trạng từ trái nghĩa** hoặc cấu trúc **not as...as** hoặc **so...as**.

Ex: *Apples are less expensive than cherries.*
 = *Cherries are more expensive than apples.*
 = *Apples are not as/so expensive as cherries.*

- Có thể thêm “**far**”, “**much**”, “**a lot**” trước cụm từ so sánh để nhấn mạnh.

→ Ex: *Cherries are much more expensive than apples.*

A BRIEF HISTORY OF FOOTBALL

There is no clear evidence stating where and when football was actually invented, but most historians agree that some type of ball game had been played centuries before the modern game developed in England. Football has a long and interesting history and origins of the game are present in sports played thousands of years ago in China, Egypt, Japan and Greece. Aspects of the game can be traced as early as the second and third centuries BC in China. Their game, originally named 'Tsu Chu', involved kicking a leather ball into a small hole.

The first football games played in Britain were in the 700s and the English equivalent of a football was made using an animal bladder. Games were violent and injury and death were common. Despite the violence, however, they were still very popular. The game had become so popular that in the 1300s Edward II banned the sport because people were playing football rather than practising archery. This was especially important to this king, as he was preparing to go to war with Scotland. This was to be the first of many bans imposed by the kings and queens of England.

In 1605 football became legal and once again the sport grew in popularity.

In the 1800s it became particularly common in private schools such as Eton, and it was only then that a set of rules was established. Until then, the game had continued to be violent, as it had had limited rules and no referees. Before the 1800s, for example, it was considered normal to hit players on the opposite team and to damage their possessions. In 1848, on Parker's Piece in Cambridge, these rules were developed further and a new version called the 'Cambridge Rules' was used by all schools, colleges and universities.

Though football could be considered a male sport, women also play it.

An increase in women playing the sport began during the First World War, when women did jobs traditionally done by men. Those working in places like factories regularly met to play. Unfortunately, a ban was imposed when the war ended, but it was eventually lifted in the UK in 1971. In 1991 China hosted the first Women's World Cup and in 1996 the first ever women's football event was held at the Olympics.
