

3 Around the World in 80 days.

Fill in with the words in the box:

Australia inventor world Egypt China Mexico USA
gentleman Spain London dangers journey India lady

Phileas Fog is an English 1 _____ who makes a bet that he can travel around the entire 2 _____ in just 80 days. He decides to start his adventure with a young

3 _____ called Passepartout, who has developed a "space machine".

During their 4 _____, they visit different countries such as

5 _____, 6 _____, 7 _____, 8 _____, 9 _____, 10 _____ and the 11 _____.

Phileas and Passepartout get into trouble in Egypt and a brave young 12 _____

whose name is Evelyn saves them. After that, she decides to travel with them.

Together, they have to do their best to be back in 13 _____ in 80 days.

They will learn about different cultures, face many 14 _____ and work hard

to achieve their goal. Will they succeed? Will they be able to go back to London and win the bet?

Watch the play and find out!
