The Who
By The Odorono

She sang the best she _'d ever sung_ (ever sing)
She couldn't ever sing any better
But Mister Davidson never _____
She knew he would forget her
She'd_____him there
And put herself to ransom
He _____
He really was quite handsome
She _____her best
She couldn't ever look any better
But she knew she'd_____the test
She knew he would forget her
Triumphant was the way she felt
As she _____the applause
Triumphant was the way she felt
When she _____ him
at the dressing room door
She was happier than she'd _____
As he praised her for her grace
But his expression changed, she _____
As he leant to Kiss her fase.
