

Treat People With Kindness

Harry Styles

Maybe _____
Find a place to feel good
And _____ people with
kindness
Find a place to feel good
I got a good feeling
_____ just _____ it all in
Floating up and _____
Droppin' into the deep end
And if _____ here long enough
They'll sing a song for us (ah-ah-ah-
ah)
And we'll belong
Maybe _____
Find a place to feel good
And _____ people with
kindness
Find a place to feel good
_____ second chances
I don't need all the answers
_____ good in my skin
I just keep on _____
And if _____ here long enough
We'll see it's all for us
And we'll belong
Maybe _____
Find a place to feel good
And _____ people
with kindness

Find a place to feel good
And it's just another day (and it's
just another day)
And if our friends all pass away (ah-
ah, ah-ah)
It's okay (it's okay, it's okay, it's
okay)
It's okay, it's okay, yeah!
Hey!
Here we go now
Maybe _____
Find a place to feel good
And _____ people with
kindness
Find a place to feel good
All we ever want is automatic all
the time
All we ever want is auto all of the
time
All we ever want is automatic all
the time
All we ever want is auto all of the
time
Maybe _____ (all together
now!)
(One more time!)
Find a place to feel good (oh yeah!)
And _____ people with
kindness (just a little bit of
kindness)
Find a place to feel good (ow!)
