Young ambition
Say we'll go slow but we never do
Premonition
See me spendin' every night
_____ _____

Oh, yeah, under the kitchen lights
You still look like dynamite
And I wanna end up on you
Oh, _____ need no place to go
Just put on the radio
You know what I wanna do

We can just dance to this
_____ _____ much to start me
We can just dance to this
_____ ____ on my body, yeah
You know we've already seen all of the parties

Dear beloved
_____ those 501s a bit closer, bit closer
And dear, my lover
____ that thing we never do sober, sober

I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride
I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride

We can just dance to this
_____ ____ much to start me
We can just dance to this
_____ ____ on my body, yeah
You know we've already seen all of the parties

_____ ____ much to start me
We can just dance to this
_____ ____ on my body, yeah
You know we've already seen all of the parties
We can just dance to this
We can just, we can just
_____ to this

We can just, dance to this
Dance to this, dance to this
We can just dance to this

I don't wanna sleep tonight-night-night-night-night
I just wanna take that ride
