

Feelslikeimfallinginlove - Coldplay

I know that this could hurt me _____

I know that this could feel like that

But I just can't _____

Let my defences drop

I know that I was born to kill

Any angel on my windowsill

But it's so dark _____

I throw the windows wide

I know, la-la-la-la-la-la-la-la-la

I know, la-la-la-la-la-la-la-la-la

Still, I don't let _____

And fields of flowers grow

Oh, it feels like

I'm fallin' in _____

Maybe for the first _____

Baby, it's my mind you blow

It feels like

I'm fallin' in love

You're throwin' me a lifeline

And this is for a lifetime, I _____

I know that in this kind of _____

Of two people, there's a spark between

One gets torn apart

One gets a broken _____

I know, la-la-la-la-la-la...

CHORUS

Ooh, ooh

Ooh (feels like)

Whoa

It feels like

I'm fallin' in love

You're throwin' me a lifeline

Oh, now for the first _____

I know I'm not alone

Ah-la-la, la-la, lo-lee-lo (6x)
