In the beginning, as instructed, all participants lined up and started to march. Then, they marched along the decided route passing some villages near SMP Merdeka. The villagers were very excited to watch the parade pass their houses. Many of them stood along the street welcoming and cheering the parade.

After returning to school, all participants took some rest while waiting for the door prize announcement. Finally, the headmaster announced the winner. There were ten students who got the door prize and Galang was one of them. Everyone felt happy with the events.

On August 17th, SMP Merdeka held a school parade to celebrate Independence Day. All students joined the event and so did Galang and his friends.
