

SEÑALA EN EL MAPA LA UBICACION DE CADA AMBIENTE DE LA PROVINCIA DE BUENOS AIRES

The image shows a map of the Buenos Aires province in Argentina, divided into six numbered regions for labeling. The map includes geographical features such as the Río de la Plata, the Paraná River, and the Bahía de Samborombá. Neighboring provinces and countries are also labeled: Santa Fe, Entre Ríos, Uruguay, La Pampa, and Río Negro. A compass rose is located at the bottom center, and a small inset map of Argentina is in the bottom right corner.
