# PHONEMES AND PRONUNCIATION

Phonemes are the different sounds of the language. They can help you to differentiate 2 words from each other.

**FIRST**

**Complete the chart with each phoneme.**

*Pronounce the words and match with the correct phoneme. There is one extra.*

**SECOND**

Select the word with different sound.

John / July / You / January

Zone / Music / Zebra / Nice

Children / Shower / Machine / Shop

Vision / Occasion / Fridge / Decision

Gino / Yes / Yahoo / You

**THIRD**

Find a different example for each sound.
