

**LISTENING****Task 2**

**Listen to the recording again and complete the extract with one to three words.**

Life is also a game of 1) \_\_\_\_\_, and when it comes to the biggest things we 2) \_\_\_\_\_ – health, wealth and relationships – these outcomes don't only depend 3) \_\_\_\_\_ the quality of our decision-making, but also the roll of 4) \_\_\_\_\_.

[...] and this kind of ambiguity can 5) \_\_\_\_\_ for us to know how good our strategies are, sometimes, especially when we're experiencing a lot of success. For example, 6) \_\_\_\_\_ 2010, I won a really big poker tournament known as the European Poker Tour. And because I'd only been playing full-time 7) \_\_\_\_\_ a year, when I won, I assumed I must be rather brilliant. In fact, I thought I was 8) \_\_\_\_\_ I not only got rather lazy with studying the game, but I also got more risky, started playing in the biggest tournaments I could against 9) \_\_\_\_\_ in the world.

[...] So, when we're experiencing success, it's important to 10) \_\_\_\_\_ to really ask ourselves how much of it is truly down to us, because our egos love to 11) \_\_\_\_\_ the luck factor when we're winning. [...] Our intuitions aren't 12) \_\_\_\_\_ as we'd like to believe. I mean, it'd be great, whenever we're in a 13) \_\_\_\_\_, to just have an answer appear to us from some magical source of inspiration. But in reality, our gut is extremely 14) \_\_\_\_\_ all kinds of 15) \_\_\_\_\_ and biases.

**Task 3**

**Match the words to make expressions from the talk.**

- |                    |                  |
|--------------------|------------------|
| 1. to have         | like a genius    |
| 2. to feel         | numerically      |
| 3. to ignore       | trend            |
| 4. to speak        | a strategic edge |
| 5. to estimate sth | in the brain     |
| 6. to land         | factor           |
| 7. the downhill    | in numbers       |
| 8. the luck        | intuition        |
| 9. to run          | a poll           |

## Task 4

Read the sentences and match the expressions in bold to their meanings.

- |  |   |
|--|---|
| 1. If you want to <b>live to a ripe old age</b> , you'd better not smoke so much.                            |   |
| 2. I finally realized that I was overestimating my skills, and had to <b>get my act together</b> .           | a) depend on as a source of income.   |
| 3. If you had invested into their business, you could <b>live purely off</b> returns on investments.         | b) the skills to survive in difficult or dangerous situations, especially in cities . |
| 4. The game has outgrown the days where pure <b>street smarts</b> and people-reading can get you to the top. | c) have a very long healthy life  |
| 5. It's important to take a moment to ask ourselves how much of success <b>is</b> truly <b>down to</b> us.   | d) become more organized and effective  |
|  | e) be sb's responsibility   |
