hair, her hair, Falls perfectly
without her tryin'..."

Definition

A descriptive text is the text that focuses on describing the characteristics of a person, object, or location.

Purpose

The purpose of descriptive text is, of course, to provide information to the reader about its shape, characteristics, quantity and so on in detail.

The five senses

To write a good descriptive text, you need to describe what your senses recognize. Like, what can be seen, what can be heard around, what smells are in the room or environment, what things are felt when we are in the room.

Identification:

Simple Present Tense

Adjective

I live with my little family. My family has always been my closest friends. They are the kind of family I am grateful to have. There are four people in my family. Of course, that's my parents, my younger brother, and myself.

Description:

My mom is 49 years old. Her name is Luna. Her nose is pointed, and she has lovely black eyes that fit an oval face. She has short, curly black hair. She always makes an effort to stay in shape, which is why she is still slim. She is very attractive, always well-dressed, and elegant.

Action Verb

Meanwhile, my father, Hendra, is 2 years older than my mother. He is 51 years old. In spite of his age, he has still black-haired, with several grey hairs. He also has oval face, sharp nose, and black eyes. He is quite tall, but a bit shorter than me. He's very hard-working. Besides that, he is working in a travel company. He can even make a dinner when my mother is outside. His cooking and his meals are always very tasty as well as my mothers.

Finally, my little sister, Saran. She is 14 years old. She looks like my mother. She has long wavy hair, brown eyes, sharp nose, and oval face. She is definitely shorter than me. She is rather introverted. But she is very sensible, smart, and co-operative. Right now, she is studying at Junior High School in 8th grade. I want to be as smart as she is.

Me and my parents speak Sundanese very well, because we were living in Bandung for 5 years. I have been going to primary school there. Unfortunately, my sister was only 3 when we were leaving to Jakarta, so she can't speak Sundanese. Now we are happily living in Jakarta.

PART 1

THIS IS MY HOUSE !

Hi! I'm Andy, and this is where I live. My home is fairly large, with two levels—a ground floor and an upper floor. It also has an attic and a basement.

On the ground floor, there's an entry hall, a kitchen, a pantry, a living room, a spacious dining room, and a restroom.

Upstairs, you'll find three bedrooms, a bathroom, and a wide corridor. My bedroom is located between my parents' room and the bathroom, while my sister's room is opposite mine.

Although I'm fond of my bedroom, I also enjoy spending time in the attic. I store some of my books and old toys there. It's a roomy space with a large sofa where I sometimes relax and nap.

In the basement, we store the washing machine, the dryer, and various old items.

Behind the house, there's a garage where my parents park the car, and a charming garden filled with greenery, flowers, two swings, and a small swimming pool.

I really love my home; it's very cozy.
