

Listen to Their Calls

Different birds give different calls. Have you ever wondered what these calls are?

Match each bird with its call by drawing a line :

Cuckoo

Duck

Cock

Crow

- (a) Crows
- (b) Hoots
- (c) Coos
- (d) Chirps
- (e) Quacks
- (f) Coos
- (g) Caws

Owl

Sparrow

Pigeon

BOOST UP

Parrots are able to replicate human voice because of their unique anatomy and their ability to learn.
