Police witness report

Name of witness : Miss Emma Lo
Crime witnessed : Robbery at King Watch Shop on Valley Road, Wan Chai
Date of crime : Tuesday, 15th January 20XX
Time of crime : 11:30 a.m.

There were two robbers in King Watch Shop. They were both men. The first man was about thirty years old, with a round face and dark brown spiky hair. He wore sunglasses so I couldn't see his eyes. He had a long red scar on his face. It went from his right ear to his chin. He had a gun. It was black and silver. It looked huge to me — very frightening.

The other man was older, in his forties. He was thin, with curly hair. He wore a blue cap with the name of a basketball team on it. He had thick eyebrows and a long pointed nose. He wore black leather gloves and carried a large brown backpack.

The robber with the sunglasses told us to lie on the ground. There was a businessman in a suit and tie. He didn't want to lie on the ground and tried to fight with the robbers. He threw his backpack at the robbers. It opened and his stuff flew everywhere. Suddenly the robber with the sunglasses fired his gun. Luckily, he didn't shoot anybody. It was terrible. I was afraid.

A saleswoman who worked in the shop started to cry. The robber with the gun shouted at her. 'Shut up!' he said. The robber in the gloves opened the safe and took out some money. He also took some valuable watches. He put them all into his backpack.

The two robbers left by the back door. It was all over so quickly.
