5th October 20XX

Hi Steve,

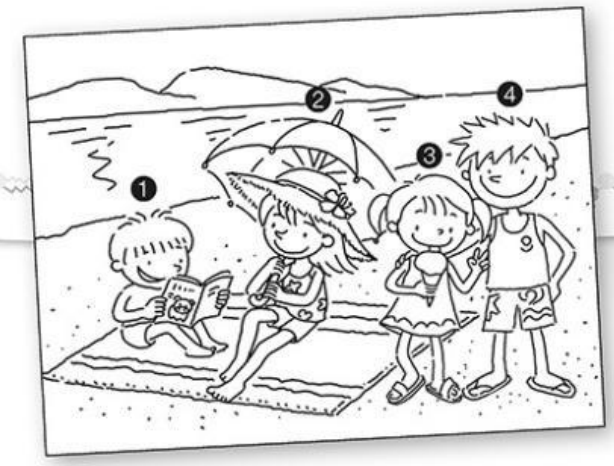

We are now in our new flat in Aberdeen. It is on the 35th floor so the views are gorgeous! I hope that one day you will come to Hong Kong and stay with us. The Lau family will give you a BIG welcome!

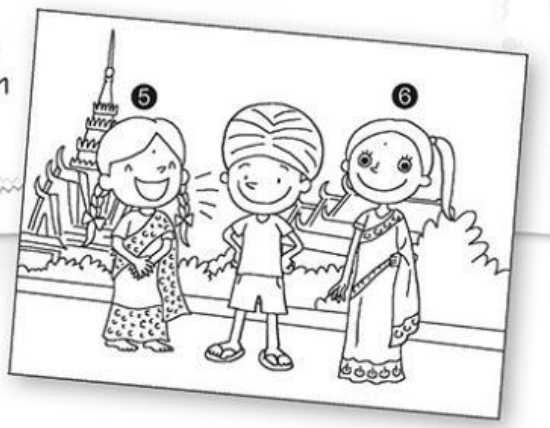

Here is the photo I promised to send you. It is from our holiday in Thailand last summer. The weather was lovely. We stayed in a beautiful hotel next to the beach for a whole week. That is me on the beach. I am the handsome one in the vest and sandals. The girl next to me, the one who is eating an ice cream, is my little sister Jane. She likes eating. My big sister Linda is the girl with the umbrella. She is now studying in London. Maybe you will see her in the street one day! The boy who is reading is my little brother Andrew. He loves reading — he is such a bookworm!

The other photo shows some friends we met during our holiday. They come from India. On the last night they wore their traditional clothes to dinner — beautiful saris made of silk. Nila is the one with the big eyes and the ponytail in her hair. Her little sister Tara is the girl who is laughing. She has pigtails in her hair — doesn't she look cute? Their father wore a turban on his head. He helped me put mine on. It felt really heavy. Do you think it suits me?

How was your holiday in France? Please write soon.

Love,
Kelvin
