## READING

Read the passage and decide whether each statement is True or False. Write True or False in each blank.

This is a geography class in Bangladesh. It isn't a traditional primary school – these students are playing on a 'boat school'. It's a great idea because transport can be a big problem here when there's a lot of rain. The boat isn't moving at the moment, but at the start and the end of the day, it goes along the river to the students' villages.
