1. First Read. Then answer these questions.

Yesterday Tina went to a fair with her father. There were many toys at the fair. She wanted to buy all the toys. There were also many food stalls. As Tina was hungry, she walked towards one of the stalls.

But she did not realise that she had let her father's hand go. She went to the shop and asked for a chocolate. The shopkeeper asked for money. She turned back. But she did not find her father. She started crying. The kind shopkeeper gave her a candy. He also told her not to cry. He took her to a police officer.

The police announced Tina's name through the speakers. After some time, her father arrived and saw Tina. Tina ran towards him, hugged him tightly and cried. Her father bought her many toys. Tina did not let go of her father's hand ever again.
