- | | | | |
|-----------|----------|------------|------------|
| 1 A when | B and | C so | D so that |
| 2 A ở | B at | C an | D the |
| 3 A makes | B make | C making | D to make |
| 4 A in | B at | C for | D in |
| 5 A visit | B visits | C visiting | D to visit |

b. Read the text about some celebrations of ethnic minorities. Complete the summary using the words from the text.

After a harvest season, some ethnic groups in the Central Highlands, such as the *Ê-đê*, *Gia Rai*, *M'Nông* and several other ethnic people, celebrate the New Rice Festival. This event serves as a time to express gratitude to the God of Rice for past year's healthy crops. It is also an occasion to pray for favorable weather conditions in the upcoming year. During the festival, both men and women dress up in traditional clothing and participate in a variety of exciting activities, such as folk games and performing arts.

In northern Vietnam, ethnic groups such as the *Pu Péo*, *Nùng* and *Red Dao* celebrate the Forest Opening Festival. This festival is a demonstration of their beliefs and a way to show thanks to the Forest God, while also raising public awareness about the importance of protecting forests and conserving water resources. During the festival, both men and women usually dress up in their traditional clothes. They prepare and eat traditional foods. Men play folk songs with the gong while women have traditional dances. Besides the food and dances, they also play folk games.

The *Ê-đê*, *Gia Rai*, *M'Nông* and several other 6) _____ people mark the New Rice Festival, while the *Pu Péo*, *Nùng* and *Red Dao* 7) _____ the Forest New Year Festival. These celebrations are how the people show their 8) _____ and thanks to the gods. There are 9) _____ food, music and dance and 10) _____ performances at the festivals.
