

Black Friday by Tom Odell

I wanna go _____, I wanna have fun
Wanna be _____, could you show me how it's done?
You look so _____, pretty like the sun
I could watch forever while you _____ on everyone

It's Black Friday, we're in a black _____
You take my hand and hold it gently on the _____ seat
It's all in my head, it's all in my _____
I'm so selfish, you're so _____
It's all in my head, baby, I can't _____
I look in the mirror, what is _____ to me?

I want a better _____, I want better skin
I wanna be perfect like all your other _____
You look so pretty, pretty like the _____
Every time you touch me, I feel _____

It's Black Friday, the end of the _____
You take my hand and hold it gently up against your _____
It's all in my head, it's all in my _____
I see the darkness where you see the _____
It's all in my head, who do I _____?
I thought that you loved me, what is _____ to us?

What is happening to _____?
