Read the dialogue.

Tom: Do you like actors and actresses?

Anna: Yes, I do! I think some of them are great.

Tom: Who is your favorite actor?

Anna: My favorite actor is John Smith. He is very attractive, and he is in many action films.

Tom: Oh, I know him. He is OK. I think he is good in action films, but bad in dramas.

Anna: I like him in both. What about you?

Tom: I like Lisa Green. She is in horror films. She is great in them!

Anna: Really? I don't like horror films. I like dramas more.

Tom: That's OK. Everyone likes different things.
