## 2 Complete the email with the phrasal verbs in the box.

break up      figure out      get in      get on      give out      go for  
 hand in      join in      note down      put off      stay behind      try out

Hi Sophia,

I've just started at my new school and it's great. I think I'm going to <sup>0</sup> get on really well here. There are lots of interesting clubs – I'm going to <sup>1</sup> \_\_\_\_\_ rock climbing this year! I've never done it before, but it sounds fun so I decided to <sup>2</sup> \_\_\_\_\_ it.

The students in my class are really friendly. A few <sup>3</sup> \_\_\_\_\_ after school to play basketball and they asked me to <sup>4</sup> \_\_\_\_\_ with them. As you know, I'm pretty good at basketball and my new friends think I will <sup>5</sup> \_\_\_\_\_ the school team if I try!

There's a lot more work to do, though. The teachers <sup>6</sup> \_\_\_\_\_ homework every day and we have to <sup>7</sup> \_\_\_\_\_ most of it the next morning. There's always one piece that we can do over the week, but I try not to <sup>8</sup> \_\_\_\_\_ doing it for too long. I have to remember to <sup>9</sup> \_\_\_\_\_ everything the teachers say about the homework, or I forget it. The timetable is quite complicated too, but I'll <sup>10</sup> \_\_\_\_\_ where to go at what time soon, I'm sure!

We <sup>11</sup> \_\_\_\_\_ on 15th December, so I'll come and visit you then. Write soon!

Debbie
