

Name: _____

Grammar

Verbs That Add 's'

A verb in the present time shows action that happens now.

A present – time verb needs to agree with its subject.

Remember:

A verb can tell what one person, animal or thing does. When talking about **ONE** person, animal or thing. **Add an "s" to the verb to show what is being done now.**

💡 Example: Billy **rides** the bike.

Complete the sentences.
