HOW TO CHOOSE A CAREER

You may be coming to a time in your life (1)_____ you have to choose a career path. It can be difficult to decide (2)_____ career is right for you. But there are some things to think about first before you make a decision.

It's a good idea to ask yourself some questions first. Are you the type of person (3)_____ likes to work in an office or outdoors? Do you have an idea (4)_____ you would like to study or work? Is there someone in your life (5)_____ path you want to follow?

After some good reflection, you will probably be able to easily choose (6)_____ career is right for you.
