

1. Watch the movie "Hot Fuzz" and identify three examples of British slang or idiomatic expressions used by the characters. Write down the expressions and their meanings. Then, discuss with a partner how these expressions contribute to the overall tone and style of the film.

2. Pay attention to the different accents and dialects of the characters in "Hot Fuzz." Identify at least three characters with distinct accents and discuss how their accents reflect their personalities or backgrounds. Compare and contrast these accents with standard British English.

1st character _____

2nd character _____

3rd character_____

3. Analyze the use of humor in "Hot Fuzz" and identify the different types of humor employed, such as puns, wordplay, sarcasm, or physical comedy.

Discuss with a partner which types of humor you found most effective and why. Additionally, try to come up with your own jokes or humorous situations inspired by the film.
