"Tell us about a good day that you had at school. Explain why it was such a good day."

One day at school, I had a very good day. It started with a surprise. Our teacher announced a field trip to the zoo. Everyone cheered. We quickly got on the bus and sang songs on the way. At the zoo, we saw many animals. The lions roared, and the monkeys played. I took many pictures with my friends.

During lunch, we had a picnic. The weather was perfect. We shared our snacks and laughed a lot. After lunch, we visited the aquarium. The colorful fish amazed us. We even touched a starfish.

Back at school, our teacher gave us a small gift – a keychain with an animal on it. I got a tiger. It was my favorite animal. This day was special because I spent it with my friends, learned new things, and had fun. It was a day I will always remember.
