

The worksheet cover has a vibrant circus theme. It features a central rectangular frame with a blue background, decorated with white clouds, yellow stars, and radiating light rays. At the top of this frame is a large, white, cloud-like shape with a red outline, containing the title text. Below the title, the week and date are specified. At the bottom, a red and yellow striped circus tent is centered, flanked by clusters of red, blue, and yellow balloons. The entire central frame is surrounded by a wide border consisting of alternating horizontal stripes of red and yellow, each containing a row of small blue stars.
