WRITING BOOSTER

A **Write a topic sentence for the following paragraph.**

Topic sentence: _____

People don't imitate the behavior they see in movies. Would you try jumping from the roof of one tall building to another because you saw it in an action film? We live in a violent world. Just open any newspaper—or history book. What happens in real life is more violent than what happens in movies, and violence is not new. Violent entertainment has been around for a long time. Think about the gladiators in ancient Rome.

B **Why do some people think violence in movies is harmful? Why do others think it isn't? Complete the chart with people's opinions. Look at Exercise A above and the article on page 22 of the Student's Book for ideas.**

Violence in movies	
Harmful	**Not harmful**
Can make children more aggressive	

C **On a separate sheet of paper, write two paragraphs of three to five sentences each with details about the following topics. Then write and add a topic sentence for each paragraph.**

Paragraph 1

The best movie you ever saw and why you liked it.

Paragraph 2

The worst movie you ever saw and why you couldn't stand it.
