

## Listening skills practice: Amazing facts – exercises

Listen to the conversation about the human body and do the exercises to practise and improve your listening skills.

Do the preparation exercise before you listen. Then do the other exercises to check your understanding.

## Preparation

Match the vocabulary with the correct definition and write a-d next to the numbers 1-4.

1..... cells	a. Very tiny creatures that live on plants or animals.
2..... bacteria	b. The smallest part of a chemical element.
3..... mites	c. The simplest and smallest forms of life. They live in air, water, soil, as well as in humans and animals (dead or alive). They are often the cause of disease.
4..... atom	d. The smallest part of an animal or plant that can work independently. All plants and animals are made of these.

## 1. Check your understanding: multiple choice
