

A WEEKEND OF FUN**Worksheet**

Name _____ Date _____

Directions: A good friend from out of town is coming to spend the weekend with you. Your friend said that he or she wants to have a really fun weekend and wants you to plan something special. You decided that you and your friend will use at least **three** different kinds of transportation for the weekend. Answer the questions below about your weekend. Be creative: pretend that you have as much money to spend as you want.

1. What will you do Friday night? _____

How will you get there? _____

2. Saturday morning your friend wants to eat breakfast at a nice restaurant. Where will you go?

How will you get there? _____

3. You want to see a movie Saturday night; where do you go? _____

How will you get there? _____

4. Your friend really wants to go to a worship service over the weekend. Where will you go?

How will you get there? _____

5. Before your friend leaves Sunday night, you want to take her somewhere special. Where will you go?

How will you get there? _____
