"Tell us what you like to do in your free time. Explain why you like to do this."

Drawing

In my free time, I like to draw. I enjoy drawing because it lets me express myself.

Every evening, I sit with my sketchbook and pencils. I draw animals, landscapes, and cartoons. Drawing helps me relax and be creative. It also improves my focus and patience.

Drawing is special because it shows my thoughts and feelings. It is a time of creativity and peace.
