

"Tell us about a job that you want to have in the future. Explain why you want to have this job."

A Chef

I want to be a chef in the future. I love cooking and creating new dishes. Being a chef means I can make delicious food for people to enjoy. I want to learn different cooking techniques and recipes. Cooking makes me happy, and I want to share that joy with others. A chef can work in restaurants and make special meals for customers. I want to make people smile with my food. That is why I want to be a chef.
