Mario's Still Super

Many people know Mario, the fat Italian plumber. The video-game character has a big mustache. He wears blue pants and a red hat. Now, Mario is the star of a new Nintendo video game for Wii.

Shigeru Miyamoto of Japan created Mario in 1981. At that time, Mario's character was called Jumpman. He first appeared in the game "Donkey Kong." Jumpman had to save a woman from a big ape.

Many adults grew up with Mario. Now, their kids know the character. Even people who don't play video games know him. They also know his brother Luigi. Together, they're known as the Mario brothers.

Read the sentences and write T if it is true or F if it is false.

1- Mario is an American plumber.	
2- Mario has a big mustache.	
3- Mario and Luigi are known as Mario brothers.	

**GOOD
LUCK!**
