Listening Task 3017

You will hear an interview with a food inspector called James Fisher. For statements 1-7, decide if each statement is True (1), False (2), Not Stated (3). You'll hear the recording twice.

1. People who get food poisoning should see a doctor.
2. James Fisher says that food poisoning is never dangerous.
3. Uncooked meat should not be kept with other food.
4. Any restaurant that is found to be dirty is closed immediately.
5. James Fisher thinks there are not enough food inspectors.
6. Customers' reports affect how many stars a restaurant is awarded.
7. Many restaurant owners do not think that the proposed inspection scheme will work.
