Hanukkah

My favorite holiday is Hanukkah. I like Hanukkah because it is a festival of lights.

Every year, my family and I light the menorah. We light one candle each night for eight nights. We also say special prayers.

We play a game with a dreidel. It is a spinning top with Hebrew letters. We also eat delicious foods like latkes and sufganiyot, which are jelly donuts.

Hanukkah is special because it reminds us of miracles. It is a time of joy and celebration.
