Passover

My favorite holiday is Passover. I like Passover because it tells a story of freedom.

Every year, my family and I have a Seder. We read from the Haggadah and tell the story of the Exodus from Egypt. We eat matzah and other special foods.

We also sing songs and ask the Four Questions. It is a night of learning and remembering.

Passover is special because it teaches us about hope and freedom. It is a time of family and tradition.
