

Where's the bookshop?

Fred and Kevin are at the shopping centre.

1

So, where are we going?

Let me see... Let's go to the bookshop.

2

Now, where's the bookshop?

I don't know. This place is big! Look!

Let's go and see!

3

I can't read this. Oh, excuse me, sir. Where's the bookshop?

You must go straight and turn left at the supermarket. The bookshop is next to the restaurant.

Thanks!

But it isn't open today. They're making a TV show.

Is your cousin in Kids Club?

Yes, he is.

I know. My cousin is in it.

Let's go!

Sure!

6

There he is! He's in front of those children. Come on!

Hi, Fred! Come here!

Look!
